Welcome to **AALEN**

You can count on us!

For 100 years, youth hostels have embodied values that make life richer. Hostels are for all those who go through life open-mindedly, who want to experience togetherness and who actively approach others, who are courageous, even adventurous at times. Because young people don't need a corset if they've got a backbone of their own. The only time they twist and bend is for sports or with laughter. They are people who live a life worth living, worth envying, and they make more of it.

Portrait

A Roman town. A cultural town. Aalen is fully aware of its history. The Limes is a UNESCO World Heritage Site. The Limes Museum will give you insights into the largest Roman cavalry fort north of the Alps. Interested in even more Limes? Thermal water from the depths of the Swabian Alb tingles in the Limes Thermal Baths. Do you like adventures? The "Tiefer Stollen" visitors mine awaits you. Would you prefer some culture? The smallest municipal theatre in Germany stages some unusual productions.

Location & Directions

The hostel is situated on the western outskirts of the town's "Rohrwang" forest, right next to the Ostalb Arena.

Enjoy your meal

The greater the variety, the more yummy it is. We are happy to satisfy individual guest wishes. According to prior agreement, we are prepared to adjust to vegetarian and religious conditioned food and offer special meals for sportsmen and seminar attendees.

For day trips we are happy to provide you with a lunch package and a hot dinner in the evening. For reasons of environmental protection, we kindly ask you to bring a appropriate lunch box for the packed lunch.
